[VitiDiary](#) is A revolutionary wine-themed gaming experience. Enhance your wine knowledge, engage in quizzes, and create unique wines using NFTs. Unveil the world of wine!

What is Viti Diary

Viti Diary is a web3 game that combines blockchain technology, wine knowledge, and wine making to create a unique gaming and learning experience.

In Viti Diary, players can create their own unique wine NFTs by combining NFTs that represent grape varieties, terroirs, tools, and characters.

Viti Diary is more than just a game - it's a learning platform that aims to educate players on viticulture, wine making, and wine trading. With over 1,000 wine knowledge questions and over 500 wine making recipes based on real-world techniques, players can develop their wine expertise while having fun.

The screenshot shows the Viti Diary homepage with a dark brown header. The header features the 'Viti Diary' logo on the left, and navigation links for 'Home', 'Leaderboard', 'Whitepaper', 'Viti Diary Pass', and 'Enter Game' on the right. A user profile dropdown is visible in the top right corner. The main content area has a parchment-like background. At the top, it says 'Price: Free'. Below that are two green rounded rectangles, each containing a checked checkbox and text: the first says 'VitiDiary's game tutorial completed' and the second says 'Campaign tasks accomplished'. A central box is titled 'Minting Linea Badge' in a stylized font. Below the title, it says 'Please confirm minting in your wallet.' A small 'View' link is visible to the right of the badge title. The overall theme is a mix of medieval and modern elements.

Congratulations, you have completed all tasks we prepared. Please stay tuned for our official launch on Linea.
